'Tis the Season to #ShopSmall

Originally started by American Express in 2010, the #ShopSmall movement and Small Business Saturday were created as a way to encourage holiday shoppers to support and shop at their local small businesses instead of shopping at chain stores during the critical holiday shopping season. In 2017, an estimated 108 million consumers reported shopping or dining at local independently-owned businesses on Small Business Saturday — generating roughly \$12 billion in reported spending.

This year's Small Business Saturday will take place on Saturday, November 28th. The businesses of Downtown Florence will be celebrating the day with specials and promotions available for shoppers in-store and online.

To help make your local shopping experience as easy as possible, we have compiled this guide of items from the variety of retail, restaurant, and service small businesses located in Downtown Florence. Whether you're shopping for your family, your friends, your co-workers, or even yourself, you are sure to find something on your list in Downtown.

While we hope you will join us in Downtown for Small Business Saturday and your holiday shopping trips, we also hope you will consider shopping small during the rest of the year too. Did you know that when you spend \$100 with small business, \$68 stays local, but when you spend \$100 at chain stores, only \$43 stays local? Shopping local has also been shown to create more local jobs, be more environmentally-friendly, increase unique business options, and help make your community a destination.

Join the movement and #ShopSmall in Downtown Florence!

Donations to the Pee Dee Disaster Relief Fund

For the person who loves to give back, or for the person who has everything, a donation to the Pee Dee Disaster Relief Fund could be the perfect gift. The Pee Dee Disaster Fund was first established in 2010 at the Eastern Carolina Community Foundation through a partnership with the Darlington Raceway in response to tornadoes that hit Darlington. In more recent years, donations helped to support organizations responding to devastating floods and hurricanes. Now, there is great need due to both a public health crisis and economic challenge. Donations will help organizations respond to food, shelter, health, and nonprofit sustainability needs stemming from the pandemic in a quick and efficient way.

Donations can be made in someone's name either online on the ECCF's website or by mail at
